

THE GUARDIAN BAIT STATION

versatile | cost effective | durable

PRODUCT FEATURES

With the Guardian Bait Station technicians will spend less time setting up an account and servicing bait stations. The extra time can be used to better inspect and evaluate rodent activity, implement exclusionary measures or simply to enhance account profitability.

FAST: Unique single unlocking key that allows for quicker servicing combined with a station that is strong enough to provide a high level of tamper-resistance.

HIGHLY VERSATILE: Baiting or trapping, the Guardian Bait Station offers multiple options to fit the needs of your customer. It can either hold 1 x Rat Snap Trap, 1 x Liquid Bait Feeder or multiple bait blocks.

*Please note, the wax bait blocks, liquid bait feeder and rat snap trap are sold separately.

ALSO AVAILABLE WITH A TRANSLUCENT COVER.
