

WARRIOR

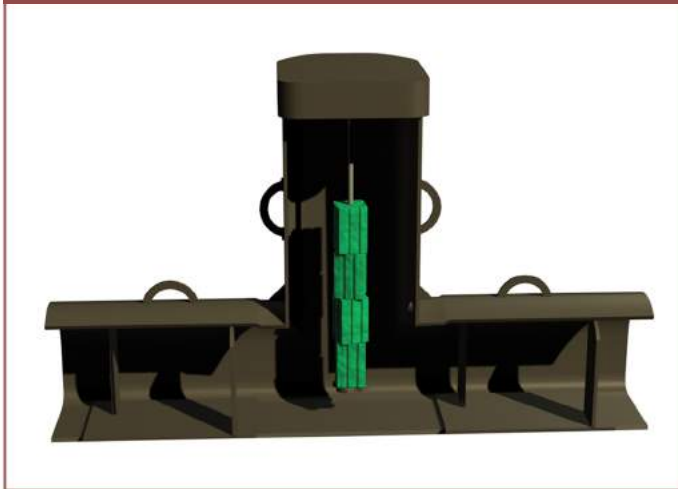

- BAIT STATION -

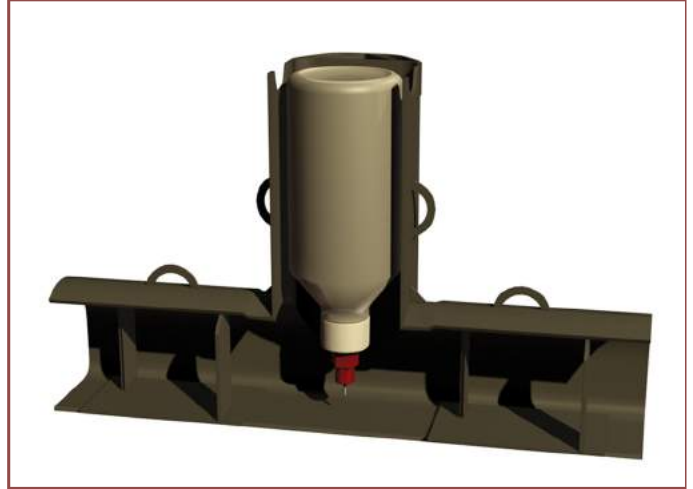

The first word in versatility.

Ideal for placing on poles, posts, runways and other difficult to reach places.

INSIDE VIEW - WAX BLOX

INSIDE VIEW - LIQUID DISPENSER

DUAL FUNCTION:

1. Rodent Blox Bait Station

- Top-feeder function means rodents only feed on bottom blox
- Prevents wastage of "nibbled-on" blox

2. Tamper-proof Liquid Bait Station

- 500ml liquid feeder with nipple drinker technology, means liquid bait is kept fresh, but won't run out between inspections

Uses universal bait station key
